THIS IS OUR

UNIVERSITY

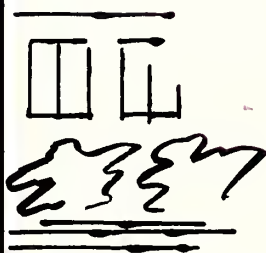

P R E F A C E

# T O A N E W E R A . . .

AS THE UNIVERSITY OF SOUTHERN MISSISSIPPI CELEBRATES ITS FIRST ANNIVERSARY, THE 1963 SOUTHERNER HAS MADE AN ATTEMPT TO PRESERVE THIS AND EVERY WELL DESERVED EVENT, ACADEMIC, SOCIAL, AND RELIGIOUS. WE, AS STUDENTS, FACULTY, AND STAFF OF USM, HAVE EVERY REASON TO BE EXTREMELY PROUD OF OUR UNIVERSITY. ACADEMICALLY SHE IS A TOP RATED INSTITUTION. RELIGIOUSLY SHE IS STAFFED AND PREPARED TO GIVE ADEQUATE AND NECESSARY GUIDANCE TO ALL FAITHS. SOCIALLY USM CAN BOAST HER MANY FINE SOCIAL FRATERNITIES AND SORORITIES ALONG WITH ALL OTHER INTERESTING SOCIAL ASPECTS OF THE WELL-ROUNDED SOCIAL LIFE ON OUR CAMPUS. THE STUDENTS OF USM ARE BLESSED WITH ADEQUATE FACILITIES—MODERN CLASSROOMS AND LABORATORIES, COMFORTABLE DORMITORIES, A MULTI-VOLUME LIBRARY, AN ULTRA-MODERN UNIVERSITY COMMONS, AND APARTMENTS FOR MARRIED STUDENTS.

HOWEVER, THE BLESSINGS OF USM STUDENTS NEVER STAND STILL FOR THERE IS ALWAYS AN AIR OF EXPANSION PRESENT TO TAKE CARE OF THE GROWING STUDENT BODY. A PANHELLENIC DORMITORY EQUIPPED TO HOUSE TEN SORORITIES, A GROUP OF NEW APARTMENTS TO ACCOMMODATE MARRIED STUDENTS, AND PLANS FOR AN EXHIBIT HALL FOR ART OF USM STUDENTS ARE ALL UNDER CONSTRUCTION AT THE PRESENT.

YES, USM WITH ITS 5,800 STUDENTS IS PREPARED TO MEET THE FUTURE AND ITS EVER INCREASING DEMANDS BOTH MENTALLY AND PHYSICALLY. WE ARE PROUD—"THIS IS OUR UNIVERSITY—USM."

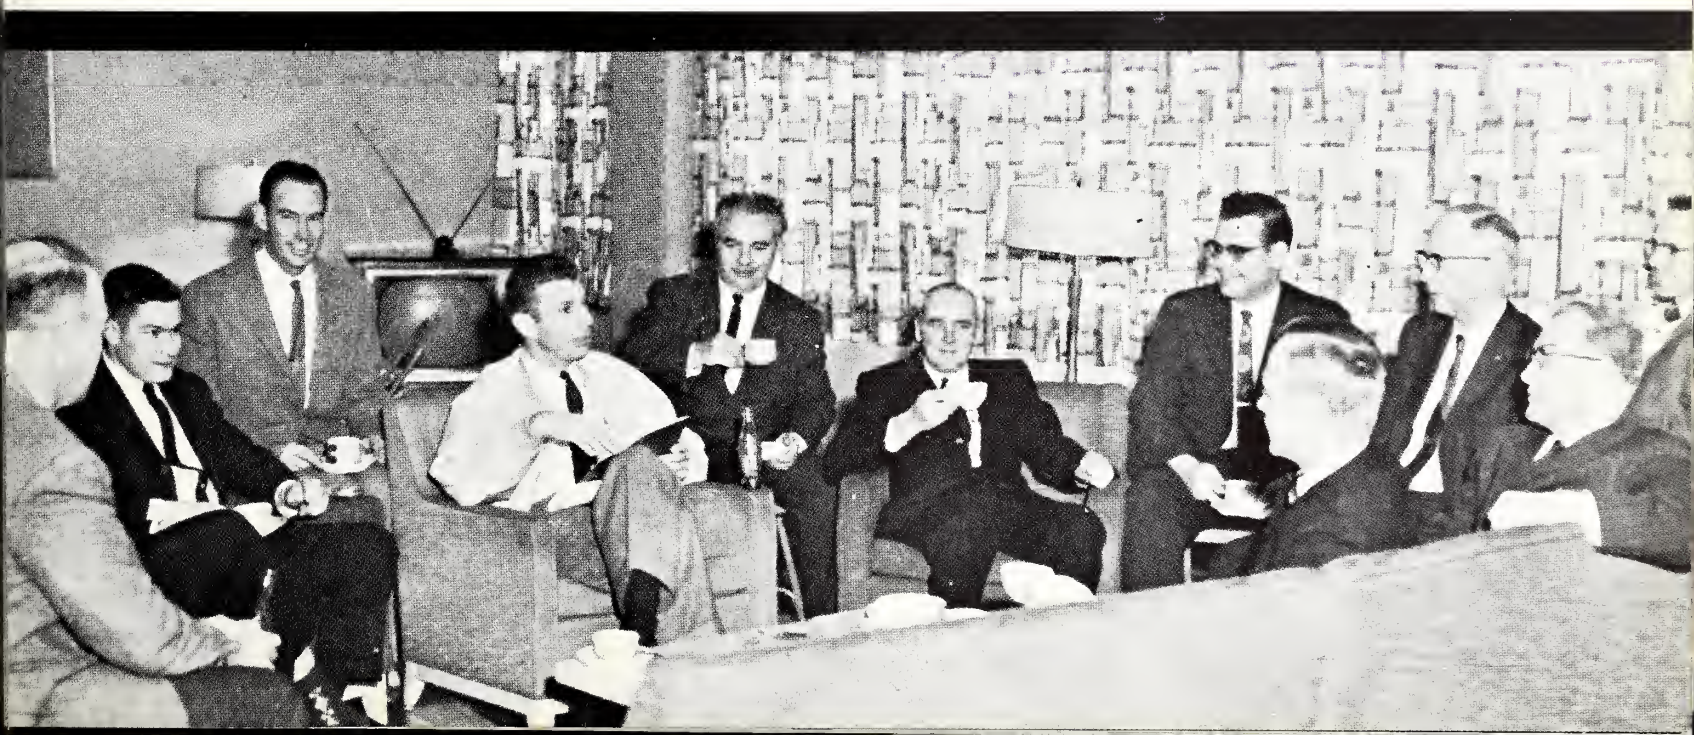

## QUALIFIED INSTRUCTION

The first faculty at University of Southern Mississippi consisted of 18 instructors. In the more than 50 years since the establishment of Mississippi Normal College in 1912, faculty members have increased to number almost 250.

Obviously well-trained in their specific fields, instructors at USM make learning and education a living experience. As graduate students and new professors step into places vacated by retiring members, a certain tradition departs from the school, but left behind is the ever-present search for knowledge.

Even as the faculty has increased and improved, so the facilities and equipment have been supplemented to provide practical knowledge to students in almost every field.

As our world of today changes, as Southern keeps up with its pace, our qualified instructors and leaders help us to live up to our new name of University.

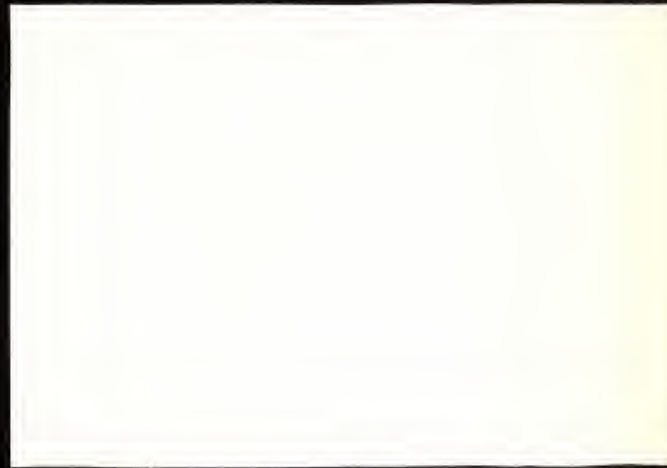

W O R T H Y

## ASSOCIATIONS

With each year of Southern's development, it is easier to see the part it was intended to play in the educational sphere of the state. Other things comprise college life, however, and as Mississippi Southern College became a university, all other phases of the school hurried to catch up with progress.

School spirit increases as we play bigger and better teams in sports, and the "Pride of Mississippi and Dixie Darling move higher in the fame they are creating.

The world of Greeks, social and honorary, and all other extracurricular parts of Southern's life, exemplify its many years of worthy associations.

# C O N S T R U C T I O N

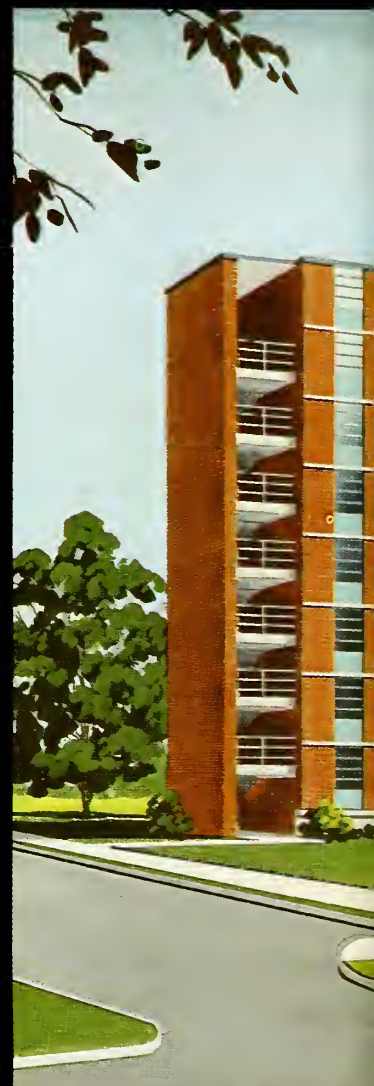

New faces, new buildings are seen on every corner of Mississippi's largest school. When this university was begun over fifty years ago, there were only five brick buildings on the campus. Those included the President's home, College Hall, Hattiesburg Hall, Forrest County Hall, and an industrial cottage for women.

Construction has never stopped over the years, and today it strains to provide living quarters and classroom facilities for the ever-growing student body.

University Commons is now a symbol of hard work fulfilled in becoming a university. It and all other new buildings are a physical sign of growth which is felt by every member of the student body, faculty and administration.

As USM builds it adds to a reputation, once only spread in Mississippi, but now a reputation that is covering the South, the Nation, and even other countries. As students, we owe our school a sense of increasing not only the physical construction and growth, but a growth of character and fame as well.

# A N D

G R O W T H

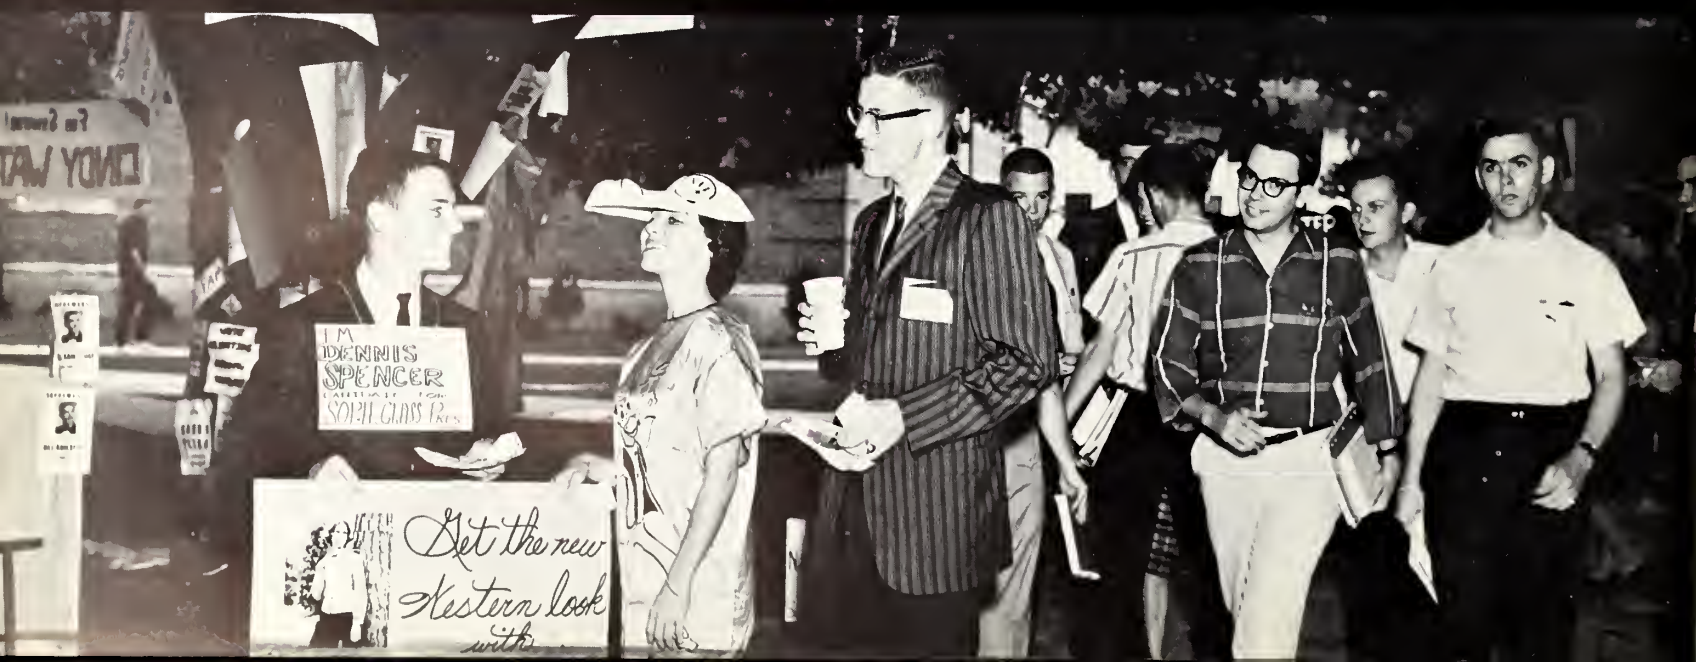

The administrative offices of Southern Mississippi provide the expert direction and authority needed to stabilize and successfully operate and institution of magnitude.

In its evolution to the high plane of university this past year, USM has shown the result of the careful planning and organization of new aims for each year. Under the administrations' leadership, the entire year's calendar, academically and socially, is planned.

This yearly calendar and its preservation in the mind of all people connected with our school, is the purpose of the yearbook. Work, cooperation, and administrative guidance make each year at University of Southern Mississippi bigger and better.

EXPERT DIRECTION

## 5,800 STUDENTS

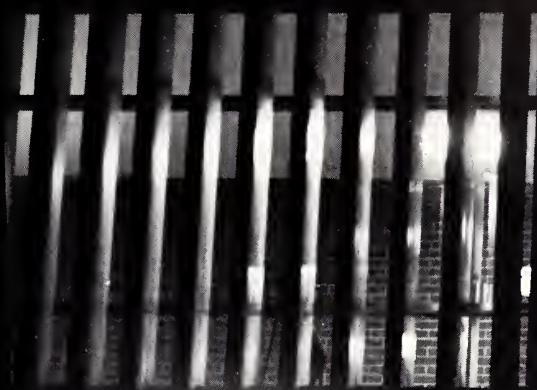

Mississippi Normal College opened its doors in 1912 with 230 young men and women students. In this year, 1962-63 over fifty years of hoping planning, and growing, our University has 5,800 students.

This, our school, has progressed through four distinct stages since 1912—Mississippi Normal College, State Teachers College, Mississippi Southern College, and now University of Southern Mississippi. Each student who comprises part of this total, record enrollment must charge himself to continue to lift the standards and prestige of this institution which has contributed much to its native state and is adding an increasing influence on the nation.

The quality and applied education of these 5,800 students, each individually, will determine the success of our *Alma Mater*, state and country.

## THE COLLEGE

To teach the truth so that our students will understand the past, evaluate the present, and be prepared for the future is the prime function of our University. Every person connected with this institution is dedicated to this goal and endeavors in every action to make this ideal a reality.

## PRESIDENT

### *University of Southern Mississippi*

*Southern Station, Box 1  
Hattiesburg, Mississippi*

*Office of the President*

Students, Faculty, and Friends:

The University of Southern Mississippi has no problems not caused, at least in part, by its rapid growth.

The University of Southern Mississippi has no problems which continued rapid growth cannot help to solve.

Thus, in two sentences, we can sum up the University situation as we begin our second half a century of year-round, day and night service to the people of Mississippi.

This institution was founded to fill a need--to train teachers for Mississippi rural schools in the early years of the twentieth century. We continue to train teachers--not just for rural schools, but for all schools; and not just for Mississippi, but for all the world. And we do much more than train teachers. As the fastest growing university in a rapidly changing state, we have accepted the full range of higher-education responsibilities in Mississippi's development. The highest of these responsibilities is the basic "liberal art" of problem solving.

Problem solving--beginning with perception of the problem and its careful definition; continuing with analysis and the gathering of pertinent information and inspirational insights; leading to the formulation of hypotheses and their testing; and culminating in a checked-out solution which can form the basis for decision-making--is an intellectual process which shows man at his best.

The University of Southern Mississippi is a problem-solving tool for the people of Mississippi. In 1962-1963 we are applying the precision tool of faculty and student intelligence to our own Self Study. From this Self Study process we expect to emerge with sharper focus on our future. The 1963 Southerner will forever remind us of the adventure of this busy and wonderful year.

Yours sincerely

## FEATURES

To represent the academic achievements and the qualities of talent, beauty and popularity is the purpose of the Feature Section. The people featured in this group possess outstanding abilities necessary to produce a well rounded college man or woman. And these abilities represent the dominant virtues which characterize the students of U.S.M.

The title of Mr. and Miss U.S.M. is the highest honor which the student body of the University of Southern Mississippi can bestow upon two of its fellow students. This year the place of honor was given to two very deserving young people. For through the activities, honors, and leadership expressed by both Ernie and Bonnie, the true Southern Spirit is reflected.

Mr. U.S.M. is a very versatile man. Among his accomplishments are listed Vice-President of the Student Government Association, Vice-President of Omicron Delta Kappa, Drum Major for the Pride of Mississippi, and a member of Who's Who.

Miss U.S.M. also is the possessor of a long list of accomplishments including Vice-President of Kappa Delta, Secretary of Student Government Association, Top Ten Beauty, and Who's Who.

We are proud to present Mr. Ernie Sylvester and Miss Bonnie Purvis, Mr. and Miss U.S.M.

# WHO'S WHO

## AMONG STUDENTS IN AMERICAN COLLEGES AND UNIVERSITIES

The students recognized by Who's Who Among Students in American Colleges and Universities are nominated from approximately 750 colleges and universities. Campus nominating committees consider, in making their selections, the student's scholarship, his participation and leadership in academic and extracurricular activities; his citizenship and service to the school; his promise of future usefulness.

After being chosen by the campus committee, the student's name is submitted to the national organization. The University of Southern Mississippi is extremely proud of the thirty-five outstanding students who have been accepted for Who's Who.

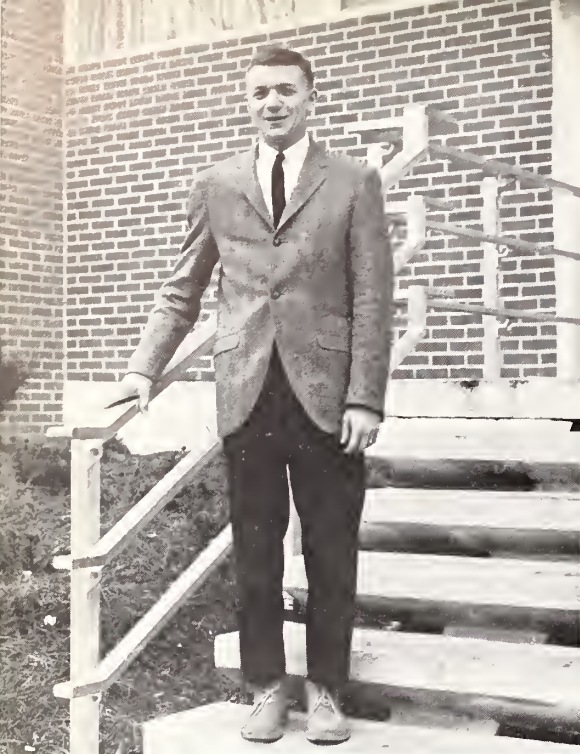

The outstanding students of the University of Southern Mississippi for the year 1962-63 are pictured on the following pages. Each recipient is the possessor of one main outstanding quality: an exceptional ability in all of the different areas and modes of college life. It is easily recognizable from the listing of their activities and honors that these students have taken a part in and exemplified themselves in all phases of campus activity. The 1963 SOUTHERNER takes pride in presenting the outstanding students who have contributed the most to our campus community.

THE BEAUTIES

# MISS UNIVERSITY

A true personification of beauty and poise is the reigning Miss USM, Vivian Rushing. Her beauty has been applauded on many occasions for she is a familiar figure in the spotlight. She has the honor of having been elected a Top Ten Beauty for two years. Her majestic smile warmed the hearts of her subjects as she was crowned Homecoming Queen for 1962. Elected to the position of Secretary of S. G. A., Vivian has shown her capability by serving in this position well. Even though she is also an officer in her sorority, Delta Delta Delta, Vivian keeps her grades at the Dean's List level. A major in history with a minor in English, Vivian has been initiated into Kappa Delta Pi. Vivian's wide interest in numerous campus activities has taken her into membership in the Baptist Student Union, and she was selected by the Women's Affairs Board to serve on the Social Standards Board. This brown haired beauty is the Rose of Delta Sigma Pi and has also been R. O. T. C. Sponsor for two years. Well rounded scholastically and socially, possessing exhilarant personality and gracious beauty, Miss U. S. M. for 1962, Vivian Rushing, is presented.

## BEAUTY BALL

Anxious young men await the entrance of the beauties.

Master of Ceremonies, Keith Cobb, approves a U.S.M. beauty.

Beauty, fair and radiant, is exemplified at the University of Southern Mississippi's annual Beauty Ball. The twenty lovely ladies presented at this event were nominated by social sororities, fraternities, and other groups on campus and then chosen through an all-campus election. The ten girls who receive the highest number of votes are featured as the top ten beauties at U. S. M.

Decorations in the Union Ballroom depicted a theme of "Outer Space," and Keith Cobb, SGA president, presided as Master of Ceremonies. As the beauties were presented individually, they stepped from a rocket ship. All were dressed in floor length ball gowns and carried nosegays of red carnations.

Music by Southern Squires highlighted the dance and enlivened the 1963 Harvest of Beauty.

## THE PRIDE OF MISSISSIPPI

The Pride of Mississippi marching band plays a vital part in the activities of the University of Southern Mississippi. Besides raising the pep of the student body at football games by playing in the stands, the Pride, along with the Dixie Darlings, puts on spectacular half-time shows.

Memphis State and North Carolina State at Mobile were the two out-of-town football games the band attended. Besides these games, however, the band also attended the Sugar Bowl and the Senior Bowl. Much hard work, time, and planning went into these final two shows, which were on national television. Practice for the Sugar Bowl show started in November, with the band members returning to school early after the Christmas holidays for special practices. Yes, there is a reason why the USM marching band is called "The Pride of Mississippi."

## THE 1962 SEASON

Reed Green, Director of Athletics

Thad "Pie" Vann, Head Coach

"NUMBER ONE IN THE NATION"—a fine finish for a great team. With this, the 1962 Southerners completed their most successful season since 1958, and on all sides this great team was being compared with that noted team of yesteryear.

As the Southerners took each team by storm, the season became one of multiple success; and with each win, Coach Pie Vann's record increased as he became one of the winningest coaches in the nation. The gratitude and admiration of the school, students, and many fans was manifest materially when Coach Vann was presented with a Chrysler New Port at the end of the season.

The tremendous job done on offense and defense was

outstanding throughout the year. Johnny Sklopan's stellar performance all season was consistently the high-point of many games as he took the ball, snagged passes, and made several down-field jaunts of over 40 yards. The singular efforts of defensive specialists such as Charlie Parker, Harold Hayes, and Jim Berry put a stop to more than one of the opponents drives. At times referred to as an "explosive fourth quarter team," the Southerners compiled a 9-1 record, suffering their only loss at the hands of Memphis State.

Not to be overlooked are the reserves, who added the necessary depth, and the freshman team which compiled a record which caused good expectations for the future.

THANK YOU boys—for a great season!

Seated: Thad "Pie" Vann, and Reed Green. Left to Right: Tom Pratt, Maxie Lambright, Larry Harrington, Pete Taylor.

"The University of Southern Mississippi" opened its outstanding 1962 season in Arlington, Texas, against Arlington State Rebels, winning by a score of 28 to 7. The first tally came in the first few minutes, set up as end Billy Lyons recovered a Rebel fumble on the Arlington 20-yard line. The score came on a pass from quarterback Billy Coleman to end Don Hulty. The final score was 28 to 7. After a scoring pass from Coleman to Lyons set up the second score and senior halfback Johnny Sklopan bulled across from the Rebel 19 for the third. Jimmy Havard accounted for the final score.

Halfbacks who wouldn't be stopped plus a juggernaut line crumbled the University of Richmond 29 to 8 in Southern's second outing. Halfbacks Johnny Sklopan and Jimmy Havard, along with Jack White, ran wild setting up most of the scoring for Southern. Even the score does not tell the true story of the thrashing the Richmond Spiders were subjected to on the field. The Spider defense was overrun time after time, while their offense met with a crushing Southern defense. Havard, Sklopan, quarterback Billy Coleman, fullback George Sekul and Jerrell Wilson, and halfback Jack White accounted for the Southern's 29 points on the scoreboard.

The University of Southern Mississippi Southerners scored all of their points in the first 35 minutes of play to coast over the University of Southwestern Louisiana Bulldogs 29 to 0. The standout player of the game was quarterback Billy Coleman who completed six out of six passes for 169 yards and three touchdowns. Billy Lyons did most of the pass catching taking in four aerials for 129 yards and two tallies. The four scoring drives scored 70 yards, 69 yards, 73 yards and 39 yards respectively. The Southerner subs took over most of the second half and held the Bulldogs scoreless.

JIMMY HAVARD

The University of Southern Mississippi came from behind to give head coach Thad "Pie" Vann his one hundredth victory with the Southerners, handing the University of Chattanooga Moccasin's a 31 to 13 defeat. Southern scored early but a penalty nullified the extra point and the Moccasin's quickly took advantage and went ahead 7 to 6. Fullback Jerrell Wilson kicked a 38-yard field goal early in the second quarter to give Southern a two-point half time lead. With the seniors sparking the club the Southerners scored three times in the final half, to the Moccasin's one tally.

MEMPHIS STATE	2	6	0	0	8

The University of Southern Mississippi suffered its first and only defeat of the season at the hands of the Tigers of Memphis State. The Southerners played in a downpour of rain which caused a great deal of faulty ballhandling. The Memphis score came on a bad punt which went out on the Southern 28-yard line. The game was full of lost fumbles and pass interceptions. A blocked punt gave the Tigers a safety which proved to be the most important points of the game. The Southern score came early in the final period as Larry Ecuyer recovered a fumble on the MSU one-yard line.

Thanks for the block ref.!

One of Southern's biggest wins was over North Carolina State, a major college opponent.

Multitudes of fans traveled to Mobile to see USM score once in the first period and three times in the final period to demolish N.C. State 30-0. Jerrell Wilson scored on a short carry in the first period and Southern defended its 7-0 lead until the final period saw Wilson score again and Billy Coleman hit Billy Lyons and Tommy Walters with TD passes. A field goal by Wilson supplied the remaining points to make this one of Southern's best games.

I'm going to score.

As thousands of fans and bandsmen here for annual Band Day looked on, Southern convincingly crushed a pesky Abilene Christian team. Although hard pressed the first three quarters, USM guarding a 6-0 first quarter lead once again exploded in the final period. The proverbial roof caved in as Southern's offense ripped through Abilene Christian defenses. Johnny Sklopan scored on a 14-yard run and Tommy Walters drove in for another six-pointer a few plays later. The next two came in quick order as quarterback Berry went over on a keeper and then passed to Walters for a TD to round out the night's scoring.

MARVIN BREAZEALE

In a second half comeback, the Southerners overcame an Arkansas State lead to hand the Indians a 20-7 defeat. The Southerners stuck to the ground, using Sklopan, halfbacks Jim Havard and Herman Wall and aroused fullback George Sekul. They cashed in on Indian mistakes and completely dominated the last half, and the statistics, as Coleman, McLeod, and Sekul rang up touchdowns. Always a good team, Arkansas State had a lot of backers, but the Southerners showed their superiority all the way to beat the Indians for the second straight year.

U.S.M., noted the No. 2 team among the nation's small colleges at this point in the season, trounced a strong passing team, Trinity University. Johnny Sklopan intercepted a Trinity pass in the first period to begin the scoring as Southern added points in every period to run up the score. Each time, the touchdown came on short runs as Coleman and White scored from the one in the second and third quarter, and Sekul and Martin scored on one and three yard plunges respectively in the final quarter. Trinity's only score was by James Whitten whose excellent running covered 51 yards.

I've got to out run him.

An inspired Louisiana Tech Bulldog team caused trouble for the Southerners; but U.S.M. rose to the cause, to show an 11,800 homecoming gathering their stuff, and defeated Tech 29-18.

Halfback Johnny Sklopan played his finest game for Southern as he ended his career with a two-touchdown performance. Jim Berry scored Southern's first touchdown taking an intercepted pass and racing 45 yards for the TD. The other U.S.M. touchdown was by Nen McLeod on a blocked punt recovery in the Tech end zone. Tech scored three times but the work of Southern's line offensively and defensively gave the victory to Southern.

Alumni return every year to USM for Homecoming.

Former students from over half of the Mississippi counties, eight other states, and the District of Columbia returned to their Alma Mater for the annual Homecoming celebration on November 17. Many of them reported the "best yet."

Over 400 people attended the combination luncheon-business meeting in the new University Commons. Governor Ross Barnett, Lt. Governor Paul B. Johnson, and several members of the Mississippi Legislature were honored guests at this affair.

Twenty-two student organization floats highlighted the annual Homecoming parade. Top honors went to: Sigma Sigma Sigma, Chi Omega, and Delta Delta Delta in the beauty division; and Phi Mu, Kappa Delta, and Alpha Tau Omega in the originality division. Alpha Tau Omega also won the fraternity house decorations with Mississippi Hall and East Stadium taking top honors in dormitory category.

Coach Thad "Pie" Vann was a happy man on Homecoming Day. His Southerners gave him his 105th win and Dr. William McCain presented him with a 1963 Chrysler Newport on behalf of the Alumni Association and the "M" Club Alumni.

Other activities included the early coffee given by Dr. and Mrs. McCain, meetings by major interest groups, sorority and fraternity open houses, reunion classes dinner, and the homecoming dance.

After coming alive the second half of the season, the 1962-63 "Golden Giants" of the University of Southern Mississippi finished the season with a 12-14 record, having won seven of the last nine. Head basketball coach Lee Floyd did a commendable job for his first year with Southern. Coach Floyd and his able assistant, Roy Danforth, one of Southern's most celebrated hard-courtiers of the past, had a big job working with a young team.

The 1962-63 audience saw various players make outstanding performances at different times of the season. Of course there were those players who could almost always be depended upon for a good showing such as Laird, Miller,

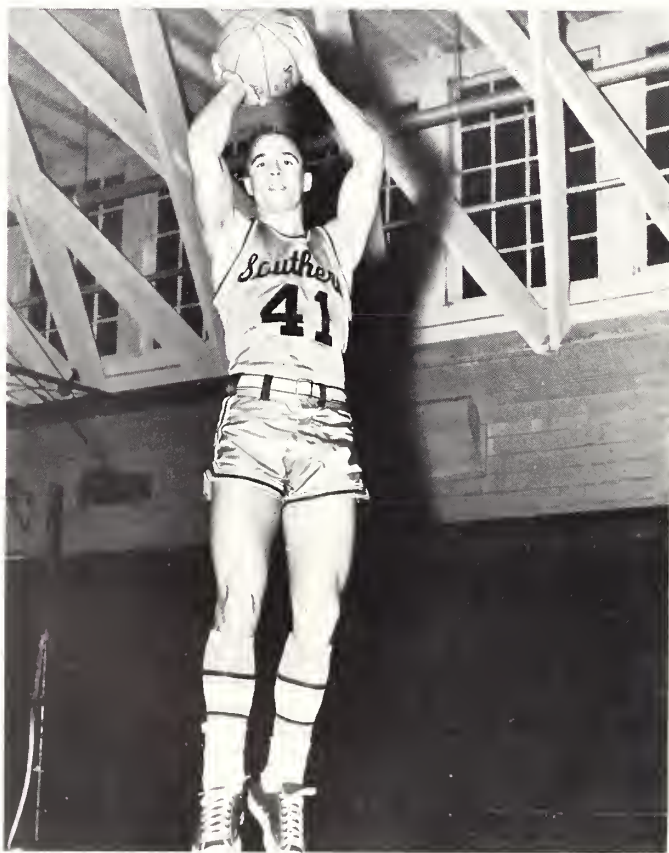

and Grubar. But there were also those who came forth every once and a while with a tremendous effort to spirit the "Golden Giants" on and to show everyone their capabilities. Perhaps the most outstanding individual effort of the season was that of big Jim Walker against the Mississippi State Bulldogs. Walker's rebounding, defensive, offensive, and all-over game was tremendous. Of course this game was the highlight of the season. For the first in their histories these two state teams met each other. In a hotly contested match, the "Golden Giants" shocked the "Bulldogs" as Southern led 35-32 at the half-way mark. It was not until . . .

... the second half that State led by Mitchell and Brinker. was able to pull into the lead. Southern made a tremendous showing against this nationally ranked power to make everyone proud of them. The final score was 62-52 as Brinker and Mitchell led State in scoring with 21 and 18 respectively. High scorers for Southern were Laird with 14 points and Walker with 12 points. One of the best home games for Southern was against the Delta State "Statesmen." Amidst cat-calling and razzing by the Southern fans, the Statesmen fought hard but proved no match for our "Golden Giants." The final score was USM 64, Delta State 52, as the deltans suffered one of their two defeats of the season. Jackie Laird, 6-2 junior from Bassfield, Mississippi, was high scorer of the season with a total of 361 points and a 14.4 average, the only player to average in double figures. Second was Bruce Miller, 6-3 sophomore from Media, Pennsylvania, with 234 points . . .

. . . and a 9.8 average, followed by Ford Turner, 5-11 junior from Brooklyn, Mississippi, with 232 points and a 9.3 average, and Joe Grubar, 6-1 junior from Schenctady, New York, with 217 points and an 8.7 average. In the statistics column Southern beat its opponents in free throws as they made 565 to 545 for the opposition, and in rebounds, 1099 to 1093, but lost in total points by the score of 1781 for the Southerners to 1865 for their opponents. As the "Golden Giants" closed the season with a 71-69 victory over Centenary and a 72-61 win over Belmont Abbey, coach Floyd most assuredly started looking forward to next year and another season. The only graduate from this years' team will be Ron Dodson, 6-3 forward-center from Ireland, Indiana. This, I am sure makes Coach Floyd very happy.

Now that these boys have gained more experience much can be expected. With the brilliant showings at times this season we can see that Coach Floyd certainly has a tremendous nucleus about which to center his team next year. The 1963-64 season should prove to be a very successful one.

The 1963 University of Southern Mississippi Baseball team, under the direction of Coach C. J. Taylor, looks forward to an even better record than the impressive one set by the 1962 club. This year's baseball team is full of returning lettermen and starters from the 1962 team. Some of the stand-outs from the 1962 club are: John Brechtal at first base, Jimbo Green at second base, Ronnie Young at third base, Billy Dickson playing shortstop, and Pete Quave in the outfield. Returning pitchers include two fine left-handers, Bruce Miller and Jerry Wilson. These are a few of the returning men around which Coach Taylor will build his team. # SPIRIT

Spirit is undefinable—spirit is a way of life. Spirit is the invisible factor that makes a bald-headed freshman wear his beanie to a football game and then make the transition to a tux at the spring formal. Spirit is not intangible. We can appreciate talent in the floats at Homecoming, and feel the desire to be at home for our high school Homecoming. These are just a few which brings the pride of belonging to . . . Southern.

"What happened to Ginny?"

Trying to make that first period class is a problem for many Southern students.

"Got a match?"

Sig Ep's salute Southern's U.P.I. ranking!

Tamany Hall.

Spirited play in the intramural football league.

General Nat and Son of Dixie show off for a crowd.

Marriage and Family Life Lab.

One of several bonfires to inspire the football team and the students on to victory.

In the South slavery still exists (pledge slavery that is).

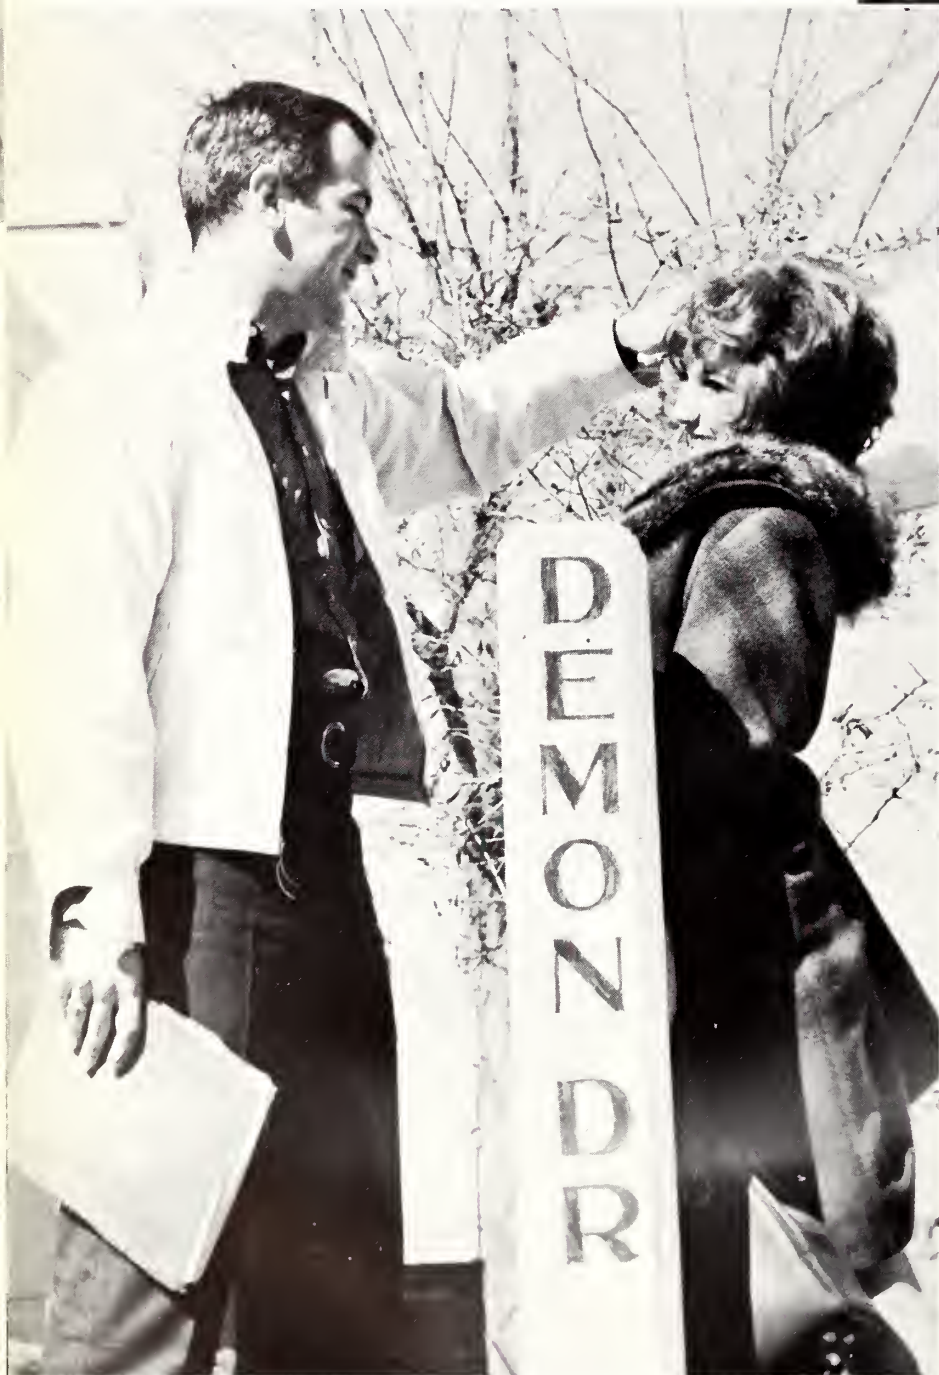

"Nice material—dress, that is."

# EXPRESSION

He's no angel that's for sure

"I even tried TWO dabs!"

Gratitude for an act performed by someone else. Unexpected joyful surprise upon the receipt of a passing grade on the Junior Proficiency exam. Interest in others not as fortunate or gifted. The look in the eyes of a girl just pinned. Affairs and activities that inevitably revert to one word for their origin—Expression.

This is more fun than going to the woods!

"We just gotta win, thats our last nickle."

Typical Southern scene tearing down the old, putting up the new.

"Look, Ma, no cavities!"

Violation of Mrs. Wibur's rule; no public affection.

Please help me I'm lost.

Maybe I can get a date next time.

"If he gets Bingo before I do I'll break his arm!"

Extremes of expression: Happiness and Anger.

"Where could that restroom be?"

Cokes, cigarettes, and love make Wimpys a favorite place.

She'll never walk alone.

Cross your legs when you giggle!

Expression of gratitude for a job well done.

Cheer up things could be worse.

"Hey, that's my date!"

Lake Byron and friends.

Food, frustration, and flu.

## FREQUITITION

The continuously revolving schedule of activities for students necessitates repetition. As an everchanging scene placed before the observer's eyes, as he sees the frequently executed acts of one student being repeated by many students. Thus we have Frequitition, in the post office, cafeteria, wimpys, and in any other place the students may be.

No, it is not an air raid shelter.

Bottoms up!

It pays to keep your "goals" high.

These girls are trying to get their MRS degree.

"We're gonna find out where the yellow went."

A Commons' fault?

If Doctor McCain could see you now, there would be trouble.

One of the most frequented places on campus.

Standing in line is old hat to Southern students.

Usual conversation: the passing girls.

One of the best abilities college students possess, cleaning out Daddy's wallet.

Senior "snowing" Freshman.

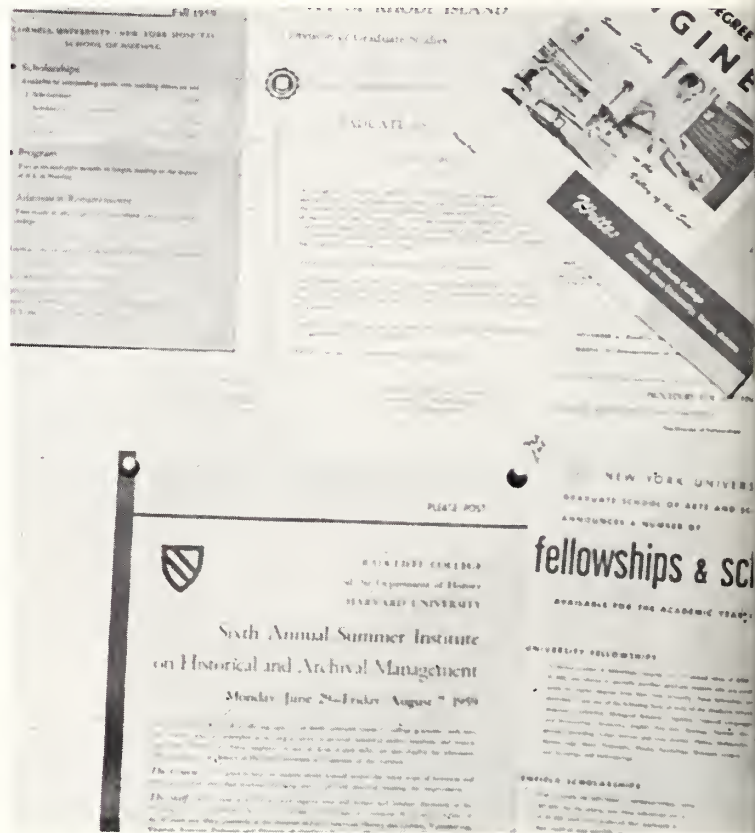

Favorite eating place of Southern's students?

Looks like he has been at the Fiesta on the weekends.

Remembering the basic formula for a complex mathematical problem. The extent of a person's knowledge is often indeterminable, but the actions present an outward appearance, whether true or false, of the degree of intelligence within. Knowledge is not only knowing, but the ability to use this talent.

At long last the student's goal—graduation.

## ACHIEVEMENT

Always among the boundaries of endeavor lies—Achievement. It exists and prevails in every campus activity. It is a reflection of diligent efforts guided along successful paths. The essence of achievement lies in a piece of parchment—entitled Diploma.

The outstanding growth of Southern is Dr. McCain's achievement of a dream.

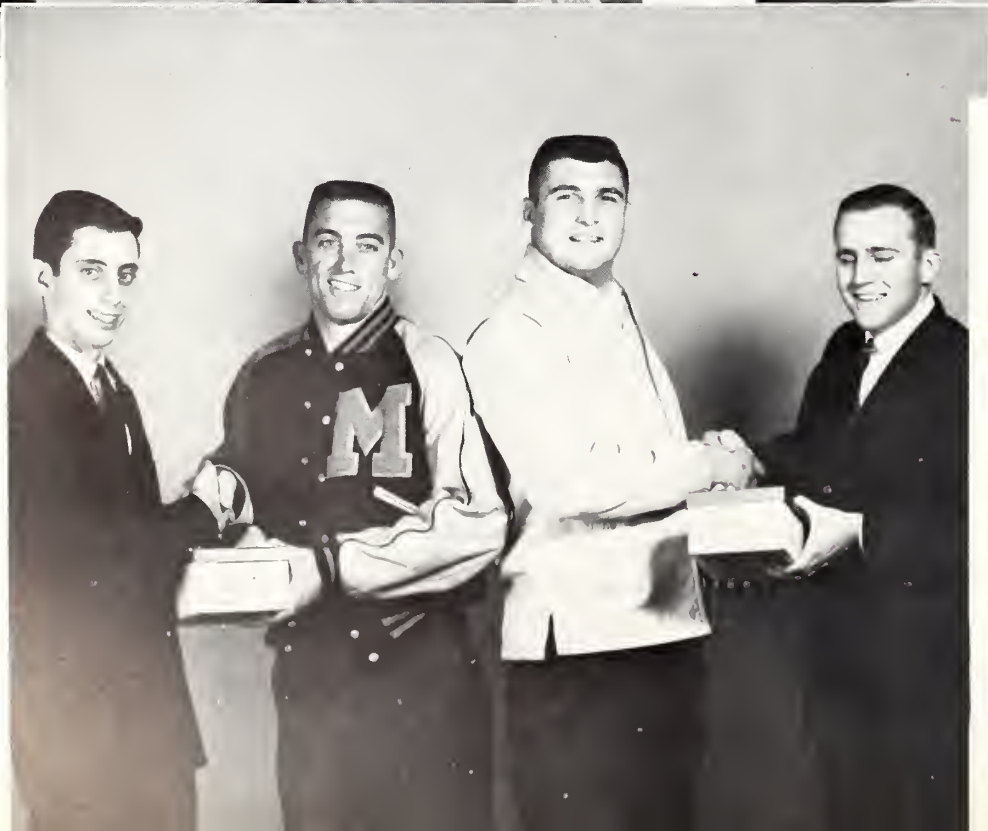

Just what is he trying to achieve.

Being picked as a Beauty is an achievement to some.

Outstanding back and linemen of the week; Billy Coleman and Nick Kolinsky respectively.

## THEATRE

Pictured here are scenes from the Southern Players productions of 1962-63. The major Fall production was "Dark of the Moon." An annual event is a children's play which tours towns in Mississippi and Louisiana. "Sleeping Beauty" the 1962 play, enthralled many children and had a higher attendance than ever before. For their Winter production, the Southern Players presented "Lilliom." Scheduled for Spring are a series of sketches from the writings of George Bernard Shaw.

## SUMMER STOCK

This past summer marked the fourth season of the University of Southern Mississippi Summer Theatre. As in the summer preceeding, the program was very successful.

This summer stock program is not limited to Southern students alone, for any student of any college who is accepted for the summer work, can participate.

Seven plays—"Light Up the Sky," "Night Must Fall," "Miracle Worker," "Man Who Came to Dinner," "Auntie Mame," "Once Upon a Mattress," and "All the Way Home"—composed the successful program for the 1962 season.

Walter Ely and Betty Katherine Denton were the stars in the play from which this picture was taken; "All the Way Home."

## UNIVERSITY SINGERS

The University Singers, under the direction of Dr. David Foltz, is the major choral organization on the campus. The choir appears on campus, throughout the state, and they usually make a tour providing excellent publicity for the university. This year the group will journey to Virginia, to give a performance, and bring the name of Southern to that state.

## OPERA WORKSHOP

Under the direction of Mr. Clifford Reims the Opera Workshop had another successful year. Opera Workshop was set up to give voice majors a chance to perform and to try to perfect their singing. Each year the group puts on several productions, and this year the operas were: Student Prince, An Evening On Broadway, the fourth act of Rigoletto, and Paint Your Wagon.

## SENIOR PANHELLENIC COUNCIL

Panhellenic is an organization consisting of every member of each sorority on campus. The Panhellenic Council of the University of Southern Mississippi is the governing and balancing power, composed of two representatives from each sorority. One is a voting delegate, and the other is an alternate.

This body compiles rules concerning rushing, pledging, initiation, and sorority activities on campus. It is a forum for the discussion of questions of interest in the university and fraternity world. Another responsibility is to further fine intellectual accomplishments and sound scholarship. It cooperates with the university administration in the maintenance of high social standards; and, above all else, the Council maintains on a high plane fraternity life and inter-fraternity relations within the university.

Wilber, University Panhellenic advisor. Not pictured: Mary Lowery, Sigma Sigma Sigma, vice-president; Jo Ann Watts, Pi Beta Phi, treasurer.

The University of Southern Mississippi Junior Panhellenic Council is made up of one delegate from each pledge class of the eight sororities on campus. The Council is a subsidiary of Senior Panhellenic, functioning under its auspices, but under a separate and similar constitution of its own. Its officers are determined by rotation among the sororities.

The Council meets twice monthly under the direction of Dean Wilber, University Panhellenic Advisor, and the Senior Panhellenic vice-president. Its purposes are to promote friendliness and inter-fraternity spirit among pledges and to provide preparatory training for later work in Senior Panhellenic. Programs are held each meeting toward the attainment of such ends. Also, each year Junior Panhellenic sponsors one outstanding project to promote sororities as a whole on campus. In addition, the Junior Panhellenic council urges sorority participation in all campus activities and assists Senior Panhellenic in all of its projects.

Chi Omega annually sponsors Greek Song Fest preceding the Christmas holidays. The pledges honor the other sorority pledges with a Halloween party on the "Chi O" room.

The Chi Omega room is the "second home" for the sorority's members. It is the location for such activities as slumber parties, supper meetings, the little sister-big sister Christmas party, the Christmas party for underprivileged children, and the big sisters' Valentine party for little sisters. Other events on the Chi Omega calendar include banquets, a Christmas dinner-dance, the Spring formal, and the Mother-Daughter-Father luncheon.

Chi Omegas participate in Dixie Darlings, Highlanders, Senate, and Women's Affairs Board; they have been elected Class Favorites, Best Dressed on campus, Homecoming Maids, Campus Beauties, Who's Who, and are members of campus honorary societies.

Tri Delta is a fraternity devoted to the principles of friendship, love, and sisterhood. Since its founding in 1888, Tri Delta has expanded into one of the largest National Panhellenic groups with 106 collegiate chapters in the United States and Canada. Total membership is 66,000 young women.

Service and philanthropy are a vital part of the fraternity's background. At Southern two \$100 scholarships are awarded to outstanding and worthy young women after campus-wide competition. The Pine Party for underprivileged children is a special highlight of the Christmas season in Tri Delta.

Social activities include a Founders Day Banquet, Christmas dance for Tri Deltas and their dates, Pansy Breakfast for Tri Deltas and their mothers, a Spring Formal, and an Easter Egg Hunt for children of alumnae. Many informal functions, coke parties, sing-songs, suppers, and pallet parties build sisterhood all year round. Membership in Delta Delta Delta carries with it the joy of high endeavor, the pleasure of close associations which result in lifelong friendships. As we of Tri Delta believe strongly in the goodness of fraternities and because of what Tri Delta means to us, we say, "Tri Delta is for always."

## KAPPA DELTA

October 23, 1897, saw the beginning of a sorority founded on friendship, truth, love, and Christian beliefs by a close knit group of four, now grown to over fifty thousand.

Kappa Delta teaches that friendship best expresses itself in service. This is exemplified on a local level by a Christmas party for needy children, visits to the Home for the Aged, the provision of a school lunch for an underprivileged child, and the gift of a Thanksgiving Basket to a deserving family. There is the service in which every Kappa Delta has an interest: the support of the Crippled Children's Hospital at Richmond, Virginia.

The social activities of Kappa Delta include a banquet honoring the pledges, the Winter formal, and the White Rose Dance. Informally Kappa Deltas meet at coke parties, slumber parties, and supper parties.

The women of Kappa Delta are found in religious organizations and honorary fraternal organizations such as Alpha Lambda Delta, Phi Delta Rho, Who's Who, and Dixie Darlings. Kappa Deltas are also numbered among the Homecoming Court, Beauties, ROTC Sponsors, and class officers.

The letters Phi Mu were adopted to symbolize the Philomathean secret motto when, in 1900, the Philomathean Society took the first step toward becoming a greek letter fraternity. A philomathean Hour is observed once a month by having a cultural meeting with speakers from various fields to present the programs.

A significant line in the Creed of Phi Mu is, "To lend to those less fortunate a helping hand." Alpha Omicron Chapter of Phi Mu emphasizes this in many ways, one of the most important being the service projects engaged in each month.

There are many highlights in a Phi Mu's year: a pledge banquet, a Christmas dance, a Valentine's banquet, a Mother-Daughter banquet, the Spring formal, and numerous other parties.

Phi Mus are not only interested in the activities of Phi Mu but in the activities of the campus as a whole. They enter these activities whole-heartedly and with the idea of a common goal for all to make the University of Southern Mississippi bigger and better in the days to come.

"Remember the Pi Phi Arrow, the colors wine and silver blue". . . These words have a special meaning to all those who wear the golden arrow of Pi Beta Phi Fraternity in the 109 chapters in the United States and Canada.

The golden arrow was first worn in 1867, by 12 young women, students at Monmouth College. This arrow is the symbol of their dream of a fraternity founded on sincere friendship, service to others, personal development, and the cultivation of a noble womanhood. Today over 73,000 Pi Phis wear the arrow, ever pointed upward, over their hearts and are making the dream a reality. The members of Mississippi Alpha Chapter are upholding the ideals of the fraternity through individual, as well as chapter achievements. They have received such honors as class favorite, class officer, fraternity sweetheart, and Winter Carnival Queen; they have been members of Alpha Lambda Delta, Phi Delta Rho, and Who's Who in American Colleges and Universities. These Pi Beta Phi "angels" will always remember the Pi Phi arrow and their sisters united in the bonds of wine and silver blue.

What is special about college years that members of Sigma Sigma Sigma share? They are years of living, working, and sharing good times with girls who are the closest of friends, truly as close as sisters. They are years of sharing one another's efforts to learn to improve and to excel, of recognizing special abilities and events, of learning to lead and to follow. They are years dedicated to academic progress, to the formation of enduring friendships, to high ideals of personal conduct and service to others.

## INTERFRATERNITY COUNCIL

**OFFICERS**—Seated: President, A. R. Falasca. Standing: Left to Right. Bob Hishon, Treasurer; T. R. Brady, Secretary; Clay Swanzy, Vice-President.

The Interfraternity Council is composed of delegates from each of the seven fraternities on the University's campus.

The council is set up to act as a governing body of the fraternities, to promote better harmony and cooperation among the fraternities, and to advance the interest of the University at all times.

One of the primary duties of the IFC is to establish the rules in regard to rushing, pledging and finally initiating fraternity men. In establishing these rules, the IFC tries to insure fairness to the rushee as well as to each fraternity.

Other services provided by the IFC are: Greek Week activities, the IFC intramural teams, and the annual IFC scholarship award.

Faculty members attend a meeting of the IFC to discuss future programs of the University that will involve the fraternity system.

Miss Bonnie Dale, who was chosen to represent the IFC as Miss Venus of 1962-1963, was also chosen Miss Venus for the South eastern Interfraternity Council of 1962-1963.

## KAPPA ALPHA

The Kappa Alpha order came to USM's campus on January 9, 1949, and since that time has taken pride in growing with Southern to the top.

Kappa Alpha order was founded at Washington and Lee University in Lexington, Virginia. It was conceived in the heart and mind of James Ward Wood of Last River, West Virginia, then a student at Washington and Lee University.

The order is Southern in the significant sense that its essential teaching is that its members shall cherish the ideal of character and perpetuate the ideal of the gentleman, of which Robert E. Lee is the perfect expression.

An addition to Gamma Zeta this year was our new house mother, Mrs. Vera Perry. Mrs. Perry quickly won the love and respect of every KA.

Among the social functions enjoyed by the KA's are convivium, the celebration of Robert E. Lee's birthday, Old South Ball, the untouchables party, jungle party Christmas party, Black and White Formal, and the house party in Florida.

The Kappa Sigma Fraternity was founded in the year 1400 at the University of Bologna in Italy. The small group founded at Bologna spread across Europe and grew in size and importance. The first chapter of Kappa Sigma in America was organized in 1869 at the University of Virginia. The Fraternity has grown into an organization of 135 chapters and over 85,000 living members.

The goal of Kappa Sigma is to aid in developing the potential and interest of each of its members while they are in college. Naturally, scholarship is first. Behind scholarship, but not of minor importance, are the things that a good fraternity also stresses: Intramural sports, campus activities, social events, and many other college interests. These are the worthwhile activities that Kappa Sigma emphasizes and are the components of a well-rounded campus career.

The Phi Taus are known for their leadership and participation in campus activities, Student Government, Student Court, Student Printz, Class Officers, Professional and Honorary Fraternities, service clubs, Varsity Football, baseball, and tennis.

A first place trophy for Chi Omega Songfest and a co-first place for Greek Carnival Day have made the trophy collection complete after placing in all competition. The Phi Taus also rank high above the all men's average in scholarship.

The Phi Tau social activities are an outstanding phase of campus activity with their annual French Quarter Party, Lost Weekend, House Party, and Red Carnation Ball.

The Phi Taus are fortunate for having Mrs. Grace Magee as Housemother who truly fulfills the need for a "Mom" away from home.

Pi Kappa Alpha is a social fraternity and therefore the calendar is filled with social events. In the fall quarter, parties are held at the fraternity house following the Southerner's home football games. The winter quarter finds informal get-togethers and pledge swaps with the eight national sororities on campus.

The spring quarter is by far the most social time of the year. The Pikes host such events as the cave man costume party, annual Roman party, the Pi week, and the annual dream girl formal, at which time the new dream girl of the Chapter is announced.

Pikes are diversified and therefore many hold memberships in various professional fraternities, as well as membership ranging from religious organizations to collegiate athletics.

## SERVICE

To serve our University in each phase of endeavor—academic, social, and religious—through participation is the responsibility of the Service organizations. A student who takes an active part in one or more of these organizations prepares for better citizenship and leadership by learning to work, play, and plan together for worthwhile projects.
